Basis of Presentation

CIBL, Inc. (the "Company" or "CIBL") is engaged in telecommunications, until the sale of the RSAs (see note 2) and broadcasting. The Company consolidated its 51% ownership of Wescel Cellular of New Mexico, L.P., whose sole assets include 25% and 33% interests in RSA #3 and RSA #5, respectively, and its 100% ownership in Wescel Cellular Inc II, whose sole asset was a 8.3% interest in RSA #3. The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information. Accordingly, they are not audited and do not include all of the information and footnotes required for complete financial statements. These consolidated financial statements and footnotes should be read in conjunction with the consolidated financial statements and notes thereto included in the Company's annual report for the year ended December 31, 2011. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. Operating results for the three and six month periods ended June 30, 2012 are not necessarily indicative of the results that may be expected for the year ending December 31, 2012. The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.
